

2023 Part-Time Employee Dental Plan and Premiums

Coverage is available to employees and their eligible dependents. * Benefits provided include coverage for preventive services, basic restorative services, and major restorative services. Benefits are paid at different rates depending upon the procedure required.

Our dental plan has no deductible. The maximum Benefit amount per calendar year is \$750 per eligible participant for all covered services.

COVERAGE TYPE	COVERED SERVICES	COVERAGE
Class I Service	Preventive and diagnostic	100%
Class II Service	Basic restorative and general anesthesia, endodontics, periodontics, and oral surgery	80%
Class III Service	Dentures and major restorative	50%
Orthodontics	Diagnostic, active, and retention treatment	Not covered

* “Eligible dependents” for the dental plan include the employee’s legal spouse and children under age 26, as well as unmarried children who are totally and permanently disabled who became disabled prior to reaching age 26.

Semi-Monthly Rates

Employee Only	\$13.88
